Two books for the class —

It is now required that students purchase Katie Lee's *Fundamental Graphite Techniques* as a reference for all your graphite drawing classes. The book can be purchased through the author's website <https://www.katieleeartist.com/> The book is \$45 (includes \$10 shipping) and it takes 6- 8 days to receive the book. The author encourages using PayPal to pay rather than a check.

Please contact Stephanie Lind slind@phipps.conservatory.org with any questions you may have about the book purchase. Address: 26 Duck Puddle Road, Nobleboro, ME 04555 Website: www.katieleeartist.com

Botanical Art Techniques, A Comprehensive Guide, published by the American Society of Botanical Artists, edited by Carol Woodin and Robin Jess, will also be used for this class. It can be purchased through Amazon and other booksellers, and here is a link to
